## Video and Photography Consent Form

This form allows you, the parent/guardian, to identify how videos and images of your child may or may not be used and for what purposes. From time to time, pictures and video may be taken of parish youth ministry events, gatherings and other ministry happenings. We would like to be able to use these photographs and videos for social media, flyers, parish publications, and the ministry website. Written consent of the student and parent/guardian will be obtained each year in regards to photo/video use. Only first names are used or none at all in describing the contents of any photos or videos. All photo/video usage is in compliance with archdiocesan and parish regulations. Your child's account will never be "tagged" in any posting on social media. If there are ever concerns about pictures or videos posted on the website, please contact the ministry coordinator.
